Subject: FW: Nebraska Public Records Act Request: Facial recognition software and marketing - February 2019 (Lincoln Police Department)

Hi Sandy,

I am working on a public records request (see below).

Can you complete a search to see if any emails have been sent to anyone in the City related to facial recognition software.

My primary thought is while we do not have any software, perhaps we have received unsolicited information or sales approaches, therefore I want to be thorough with my response.

Search would be from 1/1/2017 - present and we can limit the terms to:
"Rekognition" (spelling was verified)
"Face++"
"FaceFirst"

Thanks!
Rick

Rick

See PRR request below. I believe Tonya has replied to a similar one in the past. We do NOT have facial recognition software. I believe we have an agreement with the DMV and this process is delineated in GO 1771 II A and B, however that policy is investigative in nature.
